

# THE HARRODIAN NEWSLETTER

FEBRUARY 2006

## Honours

*Congratulations to William Poulter—major scholarship to Harrow; Cara Mills—instrumental award to St Edward's Oxford; and James Middleton—major scholarships to Radley and Wellington.*

## Hockey

*The Under 9s are formidable athletes: unbeaten at netball last term and unbeaten at hockey this term. Congratulations to the teams and their coaches.*

*Miss O'Brien reports: "Brilliant, amazing, superb! We cannot say enough about these fantastic ladies. Apart from very successful results from their fixtures, they also pulled apart their opposition in their tournaments. At the Harroddian tournament our A team won, while the Bs weren't far behind in third place. Meanwhile at the prestigious Thomas' tournament the mixed A team stormed their way through to the final and won the whole tournament. All the 8s were great, but Alexia van Breugel, Saskia Fitzpatrick and Isabella Gould were outstanding."*
